EXPERIENCE

MICROVERSE, Remote, and Part-time
Code Reviewer| July 2022 from now

● Completed reviews for students worldwide working on projects in HTML & CSS, JavaScript, ReactJS, Ruby, and Ruby on Rails.

Mentor (Volunteer) | February 2022 to June 2022

● Mentored new students by helping them get comfortable in the program and assisting them whenever they faced issues.
● Ensured that my mentees get answers to technical questions they may have throughout the Microverse program. This involves checking with them once a week to make sure they are still motivated and able to complete their work on time.
●Practiced my communication and problem-solving skills with them, and we all learn from each other both ways.

EDUCATION

MICROVERSE | January 2022 to July 2022
Remote Full Stack Web Development Program, *Full Time*
● Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.

● Developed skills in remote pair programming using GitHub, industry-standard GitFlow, and daily standups to communicate and collaborate with international remote developers.

ULK KIGALI |October 2018 – November 2021
Bachelor of Electronics and Telecommunication,
● I spent 3 years acquiring knowledge in electronics and telecommunications, namely how electronic devices work and communication work.

● Developed "Coins Sorting Machine with Arduino" project that provided solution to problems in commercial store,banks, and other places where coins are used.
